NIGHTINGALE W. I. HOSTESSES AT HOME AND SCHOOL MEETING

About sixty interested people from Nightingale, Berta-Vale, Ardenode, Baintree and Strathmore met in the Nightingale Hall Monday evening at the invitation of the Women's Institute to discuss more fully the trend of modern education.

Mrs. George Thurston presided and explained the purpose of the gathering, stating that as one of the planks in the W. I. program is Education, they felt their Institute should be more fully acquainted with the changes being made.

She then asked Rev. Hunt, President of the Strathmore Home and School Association to take over.

In his remarks Mr. Hunt stated the purpose of the Home and School is to develop the relations between parents and schools, and aim to prevent difficulties rather than correct them.

Addresses given by Mr. Crowther, Mr. Crellin and Mr. M. MacLeod, held the closest attention of the audience.

Mr. Crowther in a very lucid address explained the modern trend in Educational methods. Emphasis is placed on the individual. Social adjustment should take precedence over mere knowledge. The ability to read is paramount.

One American University has stated that a student's ability to read and willingness to work should be the only requisites necessary to enter.

Health education both mental and physical is stressed.

Too frequently a pupil's failure to advance should be traced to the parents, and they should receive the discipline, not the child.

New plans before the Department are—

- 1.— Four year High School course extending to Grade 13.
- 2.— Community Schools are coming rapidly.
- 3.— Partial credits according to the pupil's effort.

In future an all inclusive Social Studies Course will form a new feature of curriculum.

Methods for obtaining uniformity in marking examination papers was explained, a very admirable method.

Questions were read from a number of recent Departmental papers showing the very decided change in questioning. The benefit is obvious.

An interesting quiz conducted by Miss Jean Aitken, teacher of Nightingale School followed. Participants in the quiz were, Mrs. Harriman, Mrs. Trollope, Mrs. W. Mercer and Mr. G. Thurston and Messrs. C. R. Gladden, L. Kinney, P. Parsons and Norman Harriman. The ladies winning by quite a margin for which each received two War Savings Stamps.

Sales by Mrs. Mercer, accompanied by Mrs. Thurston, were a most pleasing feature.

Mr. J. Crellin followed with a very earnest plea for boys and girls to prepare them for present day living. He stressed the urgent need for healthy, wholesome play to develop the all-around interests of the youth.

He brought out the case of over organization but stated that this was for the adults not for the youth and all too often the youth is neglected.

A very pointed example was given when an adult in discussing wholesome sport with some boys, the boys pathetically emphasized the lack by asking, "What can we do?" and

"Where can we do it?"

This is a condition that should arouse active co-operation by all senior groups in any community.

Mr. Crellin said the aim of teachers and parents should be to understand the pupil; to provide physical, social and moral entertainment in favorable environment.

A symposium is a vital need in any community.

Mr. Munroe MacLeod followed in an exhaustive and illuminating talk on Reading. The ability to read is the basis of a child's intelligence test. Too frequently children are sent to school before they have sufficiently developed, and unless the teacher kindly understands the nature of the child, his reading may be marred for life by an injudicious beginning.

A child may have the ability to work with his hands or grasp other work and still be backward in reading, and irreparable harm may be incurred by urging such a pupil to read. In the great majority of cases the pupil will develop and be able to master the previous difficulty in time.

Mr. MacLeod, in introducing his talk, said there were two types of individuals or communities. One is to exhaust all the land or subject has to give and then leave to waste.

The other type where the group develops their holdings to a high state of production but builds a high fence with "Keep Out" signs that none outside may learn, but the Department of Education is constantly trying to improve their methods and disseminate these conditions that all outside may know of the progress.

In this he stressed the teaching of "Reading Readiness" as a progressive type of education. He stressed the paucity of a person unable to read intelligently and of what they missed throughout life.

He urged patience and keen insight on the part of the teacher as two most patient attributes and being most patient with backward children. Compliment a child when possible, never discourage him.

In closing Mr. MacLeod quoted R. L. Stevenson's lines, "To travel hopefully is a better thing than to arrive, and the true success is to labour."

Mrs. Albert Mercer, President, tendered the thanks of the Nightingale W. I. to the Strathmore speakers who had, by their timely addresses, made the evening so worthwhile.

W. M. S. TEA

The Thank offering meeting arranged by the W. M. S. proved an exceptionally delightful function held in the Church auditorium Tuesday p.m.

Mrs. MacIntyre of Glasgow, for the present living in Calgary, charmed her hearers by her clear portrayal of the changed conditions so bravely borne by the people of Britain, during the Blitz and since.

It was in parts, a very sad story, and made an appeal to the audience to do their bit still further to relieve human suffering.

A solo by Mr. Hunt added to the entertainment. Mrs. McMurray merits the thanks of the ladies for inviting Mrs. McIntyre to give her address.

Delicious refreshments were served at quartette tables in the basement.

M. D. BOW VALLEY

Mrs. Wilkinson gave a very interesting account of the National Social Credit Convention, which she recently attended in Toronto. She also spoke of the wonderful progress of the Social Credit movement in the Eastern Provinces.

— By Mrs. F. D. K. —

C. M. M. Andy Westerpaard, R. C. N. V. R., who has been stationed as instructor at Cornwallis N. S. has been posted to H. M. C. S. Teumseh, Calgary. Andy was home for a short visit last week. Mrs. Westerpaard visited Mae and Eli Westerpaard at Muirgrave N. S. where Eli is on patrol duty with the R. C. N. V. R., before coming west.

A repair crew is at work on the United Grain Growers Elevator and office, where they are making extensive alterations and some badly needed repairs.

Mr. Kenneth Sparks visited his home here last week. Seldom has the Standard Community Hall been as tightly packed with spectators as it was last Friday evening for the home talent play, "You Wouldn't Fool Me" put on under the direction of Mr. J. E. Macadam. Many would be players turned away for lack of room. It was a most appreciative audience which watched the three act comedy unfold. Each character portrayed very exactly the roll for which he had been chosen and there was not a hitch in the entire performance. Mayor C. P. Dahl acted as chairman for the evening. He welcomed the large crowd to the performance and outlined the story of the play. A bountiful lunch was served by the ladies of the Hall Committee following the play and Roy Downey's orchestra supplied excellent music for the dancers, who numbered several hundred. The evening was in every way a wonderful success. Roland Plante was the winner of the beautiful hand made quilt, which was drawn for that evening. The entire proceeds, some \$250.00 is being used for the Standard Community Hall Fund.

The Standard Victory Loan Committee is fully organized and on their toes in preparation for the Sixth Victory Loan Drive. The objective is much the same as for the last campaign and our committee are determined to exceed their splendid showing last spring. The committee is composed of Mr. J. P. Madsen, chairman; Mr. A. M. Rasmussen, vice chairman; Mr. F. D. Knowlton, unit organizer and secretary. The salesmen are Messrs. O. Fiksdal, C. B. Melsen, W. Melsen, W. Hymas, J. E. Macadam and A. V. Southall.

Mr. Willie Jensen drove down from Morrin last week bringing with him his mother Mrs. Jens Jensen, who had been visiting at his home. Miss Benita McGowan entertained her young friends on Sunday evening on the occasion of her sixteenth birthday when a splendid time was enjoyed by all.

Mr. and Mrs. J. E. Macadam were visitors in Calgary during the week-end.

The many friends of Miss Doris Thompson, daughter of Mr. and Mrs. N. W. Thompson, were interested in hearing of her engagement to Sgt. Pilot Robert Jewell, of Calgary. The wedding will take place on May 6th, at the First Baptist Church at 7 p.m.

PREACHES TOUCHING
FAREWELL

"Lo, I am with you always, even unto the end of the world." These beautiful words of Jesus, spoken to His disciples, to comfort them as He left this world and to remove the sting from the final farewell, was the text used by Rev. Christensen in his

Canadian Youth Commission

A meeting to make plans to aid the youth of from 17 to 24 years was held Wednesday in the basement of United Church with Rev. S. R. Hunt as Chairman.

There was an interested attendance. Principal speakers were, Mr. J. B. Kane, District Organizer and Rev. Father O'Byrne, District Chairman, both of Calgary.

In 1943 the Y. M. C. A. took the lead in organizing this movement feeling that this age group was being entirely overlooked in any after-the-war plans.

A convention was held in Toronto comprising all denominations, organizations etc. The aim is to help the young people organize for their own benefit.

The aim is the relation of youth to Job Opportunities, Education, Religion, Health, Family Citizenship, Recreation and National Policy.

S. H. Crowther was appointed local Chairman and Miss Frances Gray Secretary protem.

Groups will be organized as school age and young people.

The first meeting will be held next Tuesday at 8 p.m. in the United Church basement.

A Convention will be held in Calgary May 26 to 28, when the findings will be published and a brief sent to Ottawa.

parting sermon to a large congregation last Sunday evening. He remarked that this text has been used over and over in the Christian world when farewells were imminent. His message was woven around that parting promise of Jesus, and the familiar old hymn "Abide with Me" which was sung immediately before the sermon began.

After Rev. Christensen's sermon the choir very beautifully sang the anthem, "Daughter of Zion."

There were two baptisms at the service. "Donald Louie" were the names given the infant son of Mr. and Mrs. Louis Sundergard. His sponsors were Mr. and Mrs. Sigfried Sanderson. The wee daughter of Mr. and Mrs. Estabrook of Edmonton was christened "Sheila Ann" with Mr. and Mrs. Charles Christensen as her sponsors.

After the baptismal ceremony the celebration of Holy Communion took place for the newly confirmed, their parents and a host of others who wished to sit at the Lord's table with Rev. and Mrs. Christensen before their departure.

At the close of the evening service a reception was held for the confirmants and their parents when the Young People's Society entertained them.

Rev. Christensen was the chairman at this happy gathering. Mr. Gordon Rasmussen welcomed the guests and urged parents to encourage their children to join the Young People's Society. Miss Lily and Miss Grace Laursen sang a lovely duet, following which Miss Gwyneth Knowlton outlined the activities of the Young People's Society and invited the confirmants to become members. Miss Margaret Bath and Mr. Harry Klemmensen thanked the Society for the pleasant evening's entertainment and cordial invitations. Mr. Burge Larsen and Mr. Vernon Larsen delighted the guests with a vocal duet.

A short prayer brought to a close a very entertaining and profitable evening.

THIS is a war of movement. Never before have troops been moved such incredible distances, in so many theatres of war, so quickly. Night and day, thousands of men are in motion, by sea transport, motor truck and air... edging into enemy territory, shifting to keep the element of surprise. Did you ever stop to think what it means, under these trying conditions, to find your friend or relative, and put your letter into his hands?

Yet in spite of the tremendous task involved, tracing men who are moving from reinforcement units in England to group depots in Italy... or from one location to another... or through hospitalization or while on leave... in the face of every sort of war hazard... 31,500,000 letters in addition to parcels and other items, reached our men in 1943.

The Sixth Victory Loan.

The fact of Victory is assured now.

Thanks to the courage, determination, and self-sacrifice of the men of the fighting forces, who have "stood by their guns", through summer heat, winter's cold, drifting sands, icy waters, knee-deep mud, fog-bound islands, bomb strewn waters, air conflicts, and the terrific strains of bombing expeditions.

They have changed a condition of one of perplexed doubt to one of assured confidence.

Credit too, must be given the men and women of the tremendous supply houses, both in the implements of war and the necessities of food. They have provided the tools which have made it possible for the active men to carry on.

In this Sixth Victory Loan the

people of the Strathmore District will not fall the men who are risking all to bring Victory.

Do your part in backing them to the limit, as they give their all.

FACED with the difficulties created by wartime shortages in labor and machinery, Canadian farmers carried on with the equipment that was available, and it is a tribute to their energy and enterprise that they have attained the tremendous increases needed to serve the needs of the United Nations.

To assist them in their greater production programmes, Massey-Harris and its dealers set new and higher standards of service to farmers. In the maintenance of equipment in the hands

of farmers, they have prolonged the use of machines beyond their normal life period, and by reconditioning and rebuilding, they have put back into service machines much needed to compensate for the shortage of new ones.

In the supplying of parts—always a feature with the Company—Massey-Harris and its dealers have, during these difficult days of shortage, rendered such an outstanding service as to earn the reputation of being—"The Best Farm Machinery Service in Canada."

Canning Sugar Will be Ready May 25th.

The first five F coupons in Ration Book 3, designated for sugar for canning, will become valid May 25, and the second five F coupons on July 6, according to the Ration Administration, Wartime Prices and Trade Board. Each coupon is good for one pound of sugar, thus the total per person is 10 pounds of sugar for canning purposes.

Householders are reminded that they may convert F coupons for canning sugar to D coupons at Local Ration Boards, if they prefer to buy their preserves rather than do their own canning.

Send for Horticultural Variety List for Alberta

Enquiries concerning the recommended or most suitable varieties of fruits, vegetables, trees, and shrubs for various areas of Alberta, indicate that a large proportion of interested growers are not in possession of the recently revised Provincial Department of Agriculture publication, entitled, "Recommended Horticultural Varieties and Zonation Map for Alberta". This publication presents in concise form much information on the above topics. The lists and recommendations were compiled by the Alberta Horticultural Advisory Com-

mittee and are based on the latest information available from Experimental Stations, other testing grounds and institutions in Alberta. The publication is available for distribution from the Provincial Department of Agriculture, the office of your local District Agriculturist, the Brooks Horticultural Station, and the Lethbridge Experimental Station.

RURAL GLEICHEN

One day last week Mr. Haskayne had a very serious accident while butchering. The knife slipped and made a great gash in the calf of his leg. He was taken to the Indian hospital where Dr. Windsor put in 14 stitches. He is recovering nicely but is confined to his bed till the severed muscles have a chance to heal.

The U. F. W. A. met at the home of Mrs. R. J. Burne on April 13th. Sixteen members answered roll call with a "Did You Know". After the regular business meeting, a sing song was enjoyed with Mrs. A. Quinell as leader. A delicious lunch was served by the hostess assisted by Mrs. E. Walker and Mrs. H. Burne. The next meeting will be at the home of Mrs. J. A. McArthur instead of Mrs. L. Koefoed, on April 27th.

Last Wednesday afternoon about eighty-five ladies gathered in the dining-room of the hotel at a shower for Miss Irene Young who is to be married this week. The room was tastefully decorated with seasons flowers. Social visiting was enjoyed, and Mrs. McBeth favored the ladies with a solo, "I Love You Truly". A delicious tea was served by the committee in charge. At the proper time, little Gail and Sharon Brown brought in the gifts in a gaily decorated carriage. The gifts were beautiful and useful and showed the very high esteem in which Miss Young is held. With a few well chosen words Irene thanked her many friends for the remembrances, and the departing crowd wish her only the best of luck in the years ahead.

Lucille Bell was home with her parents Mr. and Mrs. Geo. Bell over the Easter holiday.

Dorothy Bogstie came home for Easter and stayed for the shower for Irene Young.

Granny MacMillan came down from Calgary to spend a few days with relatives.

Edgar Taylor is spending a few days with his parents Mr. and Mrs. E. Taylor.

George Matheson is home for a few weeks leave.

Mr. and Mrs. Bud Lester of California, Mr. and Mrs. E. Lester and Mr. S. E. Lester of Calgary were visiting in Gleichen over the week-end.

Mr. R. Burne is back from the west coast and is looking much better.

Norma Scheer spent the week-end at the home of Mr. and Mrs. G. Bell.

Mrs. C. E. Messenger came from Calgary to spend a few weeks with her parents Mr. and Mrs. J. Koefoed.

Mrs. A. F. Wilson is visiting in Calgary for a few days.

CONFUSION OF WORDS

A traveller asked for a Pullman berth and was told there was a difference of 50 cents in price between an upper and a lower berth.

The attendant explained as follows, "The lower is higher than the upper. The higher price is for the lower. So if you want it lower you will have to go higher. That is, we sell the upper lower than the lower."

"Most people don't like the upper, although it is lower, on account of its being higher. When you occupy an upper berth you have to get up to go to bed and get down to get up."

—GAS RATIONING—

In a recent announcement there seems to be a gleam of hope for Canadian motorists who can't seem to make their gas rations come out even with their actual driving needs. According to literature these tablets, which

are dropped in the gas tank in the ratio of one to a gallon, perform the functions dissolving sludge deposits,

freeing pistons while adding to the combustion quality of standard octane gasoline. On test, mileage has jump-

ed as high as 39% and ordinary running is demonstrating increases of 20% to 25%. In Canada it has been test-

ed by McGill University and has been licensed for sale by the Motor Vehicle Department.

Give This Man a Warm Welcome

You may not regard the Victory Loan salesman as a salesman when he calls on you. He is a man from your community whom you likely know well . . . perhaps a neighbor. He may never have done any selling before.

He has taken on this work because he feels that it is an important war job that must be done.

As a matter of fact he is not trying to sell you anything. He will ask you to save money.

Farmers are doing an important war job, too . . . producing food. Most farmers have increased their incomes. They have money to save.

You plan to use this money, and the things you plan to use it for are necessary things.

The Victory Loan salesman will ask you to let your country have the use of your savings now by putting your money into Victory Bonds.

Our big job now is to win the war, and to win it as soon as we can. That's why every Canadian is asked to buy Victory Bonds. It's why each of us is asked to buy all we can. You can buy them with cash, which you have saved, and you can buy more bonds and pay for them as you earn money, over a period of six months.

Canadian Legion Social Evening

Members of the Canadian Legion and their families held their Annual Banquet and Social Evening last Friday.

About 100 sat down to a very fine supper for which J. Vermunt and Mrs. Vermunt catered. The toast to the Armed Forces was moved by Comrad Douglas Brook and replied to by F. L. Spence Hughes. The President of the Legion, Comrade Cliff Way, suitably welcomed L. A. C. Backs, who is on leave. L. A. C. Backs fittingly replied.

After supper delightful musical numbers were rendered by Mrs. Higginbotham, Mrs. Standish, Mrs. Boese and Mr. G. Patrick. Mrs. Higginbotham sang, "The Thingumbob", "Susie" and "With Her Head Tucked Underneath Her Arm", all in her own inimitable style.

Mrs. Standish rendered three viola solos very beautifully. She gave as an encore, "Love's Own Sweet Song" the audience joining in the chorus.

Mr. Patrick sang "Don't Let's Be Beasily to the Germans", "Marry Dots" and "The Body in the Bay", in his usual good form.

Mrs. Boese was the accompanist and added much to the effectiveness of the musical numbers.

Through the kindness of Mr. D. Mc Murray the audience was treated to some very fine colored motion pictures, local scenery predominating. Mr. Anson Chase operated the machine.

Our genial Secretary, Comrade W. S. Paterson was much missed and would like to have seen a larger turn-out, but on the whole, it was a very worthwhile evening.

WEDDING

BOND - DAHM

A wedding of interest to a host of friends was solemnized at St. Rita's Church on Sunday morning when Nova Dahm, eldest daughter of Mr. and Mrs. J. J. Dahm, became the bride of F.J.O. Frances Bond, son of Mr. Bond and the late Mr. Bond of West-Mount Boulevard of Calgary. The Mass was sung by Rev. Father Killen Rockyford resident Priest.

The bride entered the church on the arm of her father who gave her in marriage. She looked beautiful in her floor-length gown of white satin, with altar-length veil caught with orange blossoms. She carried a bouquet of Tailsman roses. Her attendant was her sister Marion, who chose for her dress salmon pink with veil of the same shade and matching accessories.

The groom wore his Flight Officer's uniform and was attended by his chum Flight Officer Don Vase. The ushers were also Officers of the R. C. A. F. and just before the ceremony other pals flew over in their training planes. A delightful wedding luncheon was arranged at the bride's home where her mother received in a smart dress of black with white on the groom's mother in Gold with fox fur.

Later in the day the wedding party motored to Calgary where they would attend a military ball. After a short honeymoon visiting friends at Nelson, B. C. the happy couple will make their home at MacLeod.
